

Caring for a dog

Matching Activity

Match the correct action with its description on how to care for your dog.

Grooming

Provide your dog with a balanced diet of dog food and make sure they always have access to fresh water.

Feeding

Take your dog for a walk or play with them in the backyard to keep them healthy and happy.

Exercise

Take your dog to the veterinarian for regular check-ups and vaccinations to keep them healthy.

Veterinary care

Brush your dog's fur regularly to keep it clean and free of knots.
